

TRINITY ACADEMY NEWS

January saw us complete the enrollment package in preparation for opening the application process for the Fall semester 2015. We are so excited to reach that milestone! The pilot program entered its second semester with very excited students who were ready to get back to work. We were blessed by donations in kind from the Gard School in Beardstown (books and materials) and Logonix in Macomb (internet service and equipment). As our volunteers plugged away renovating classrooms, we were pleased to welcome prospective families and guests to our second open house on February 5.

The really great news for February was that God has sent us an interim school administrator with an official start date of 26 February. Karen DeBruin comes to us with eight years of experience teaching in Christian schools and a passion for excellent academics. The board of directors could not be more pleased to benefit from her enthusiasm, talent and wisdom.

NEEDS

TEACHERS! If you or someone you know is a Godly, gifted teacher who desires to serve our elementary students, please email your CV to administrator@trinityeagles.org

PAPER! Time to start stocking up that colored, lined, construction and copy paper. You may drop donations at our school on Tuesdays or Thursdays from 9:00-2:30.

PRAYER! Please keep the directors, teachers and families of Trinity Academy in your prayers. Many families are in the decision process of whether they will choose Trinity Academy for their child(ren)'s next academic year. Please pray for clarity, provision and peace as they seek God's direction.

FUNDRAISING

We are continuing in our efforts to obtain the financial support we estimate will be required to open the school year with 50 students in K-6. We envision that \$200/month is needed for each child enrolled in school above and beyond the costs covered by tuition. The Lord has blessed us with donations equaling 45% of our goal of \$117,500! God is good!

Proverbs 3:13-18 (ESV)

Blessed is the one who finds wisdom, and the one who gets understanding, for the gain from her is better than gain from silver and her profit better than gold.

She is more precious than jewels, and nothing you desire can compare with her. Long life is in her right hand; in her left hand are riches and honor.

Her ways are ways of pleasantness, and all her paths are peace. She is a tree of life to those who lay hold of her; those who hold her fast are called blessed.
